When an accident occurs:

First Steps	Do Not Say	While Still At the Scene
• Remain calm • Get to a safe place • Check for injuries • Administer First Aid • Call police/EMT	• It's all my fault, (even if it is). • My insurance will pay for everything. • It's OK, I have full coverage.	• Get as much information as possible on this report. • Take Pictures • When the police come, cooperate and tell them what you know.
